

# SELECT ski pass information

By completion of the purchase, you have received a receipt and a voucher with a QR code to the email you specified. By reloading a ski pass, you will receive a receipt.

Get your ski pass contactless by scanning the QR code through the pick-up devices in the resort or at the cash desks by providing the voucher via mobile device or on paper.

When reloading, the card is automatically validated and there is no need to go through the cash desks or through a pick-up device.

## Pick-up devices

-  Studenetz platz
